CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The institution has a well-planned process to ensure the smooth flow of curriculum delivery and completion. The workload for curriculum is distributed appropriately and the timetable is made available to the teachers well before the commencement of the academic year which enables them to plan and prepare for their lectures effectively. Teaching plans of all departments are prepared by the teachers as a reference to mark the necessary milestones and deliverables for a timely completion of syllabus. All these processes are documented systematically for future references. The use of visual aids in lectures, video lectures and Google classrooms enhance the knowledge dissemination and ensures better understanding of subjects. Remedial lectures are regularly conducted to help students to cope up with curriculum difficulties and to streamline and support students from vernacular medium. Various departments make efforts to enhance the overall learning experience of students with innovative activities such as SAARC, Economics Club, guest lectures, field visits and other classroom activities like debates, group discussions, role playing, newspaper reading etc. There is regular communication between the coordinators, teachers and students in order to resolve curriculum incongruities and other situational difficulties, if any. Thus, the institution provides ardent stimulants and proper guidance for the overall enrichment of the knowledge, cognitive abilities and creative skills of the learners.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

• We follow Mumbai university norms for Continuous Internal Evaluation(CIE) system and below are some list of activity we are performing. • Continuous Assessment The institute believes firmly in continuous evaluation of the students for their sustained performance. Hence a structured evaluation process has been designed and implemented. The tests are prepared and conducted as per the University examination pattern. To prepare students for practical and oral examinations, institute conducts Internal/Practical exams. The institute conducts unit tests, Prelim Exam, MCQ Tests appropriately as per the requirement of the concerned syllabi of different classes. • Orientation on Evaluation Process: Students are made aware of the evaluation process through the following initiatives: • The orientation programmes at the beginning of the semester through public address system of the college. • Teaching Plan contains evaluation procedures • Academic Calendar with CIA Exam dates • Orientation on changes and amendments in the evaluation process through Tutorial Meetings • Display in the College and Department Notice Board • Result Analysis Review Meeting: Result Analysis is done by the class tutors after every CIA Test. The performance of the students is monitored by the Respective HOD and the necessary feedback is given to the concerned faculty members. The HOD conducts Review Meetings department wise to give necessary feedback for the improvement of students' performance. • Progress Reports Parents Meetings: The institution is keen on monitoring the performance of the students and reports to the Parents. Progress Reports are sent by the tutors to the parents after each of the test. Parents/ Guardians are advised to note the performance of their wards and take remedial measure if needed. Whenever necessary, the tutor shall recommend the visit of the parent to the college for a discussion about the student. • Remedial Classes are conducted for the slow learners, absentees and the students who participate in Sports, NSS activities and Placement Interviews. This practice helps struggling learners to update their subject knowledge and helps them to catch up with their peers. • Supplementary Examinations are held for the final year students who have appeared and failed in any one of the semester theory papers relating to completion of his/her degree. • Reappearing/Recounting/Revaluation: The students are informed of the Reappearing /Recounting / Revaluation scheme available to them.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practice1 In the academic year 201819, we decided to minimize our ecological footprint by lowering our waste generation and scientifically disposing of the generated waste. As a part of this initiative, we decided to make our administration paperless. Marking the first step towards reducing our paper waste, we initiated digital payments of fee for all the courses that we offer. An agreement to this effect was signed with HDFC bank and the process was rolled out in May 2019. In the subsequent years, we would be furthering the implementation of paperless office by only collecting only the scanned copies of all the necessary documents. However, where the government offices mandate submission of physical copy of any document, the same would be collected from the students. Best Practice2 Over a period of decades our college has continued to have a higher enrollment of girl students. When the world is rising up to the challenges of providing equal opportunities and access to women in the field of education and career, Mulund College of Commerce is not behind in doing its bit to achieve gender equal society. Not only does the college abide by all the laws and rules relating to protection of women and but also emphasise on the nonlegal approaches of promoting gender equity. These approaches include orientation programmes, gender -sensitisation workshops, gender audit etc. In the year 201819, our college became the first college from this region to conduct a gender audit for the institutions. The finding of this audit was shared and discussed in the IQAC meeting. The detailed findings of the Gender Audit are shared on the website of the college.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and

thrust in not more than 500 words

Mulund College of Commerce is well known for the value and principle based approach that it always adopts in discharging its duties and performing its functions. It is this legacy, built over the 5 decades of the existence of this college, which holds back the stakeholders of this institution together. In this regard a very distinctive aspect and a welcoming gesture has been the annual gettogether of all the past employees of the college, teaching as well nonteaching. Every year the college management welcomes the gathering of the exemployees and tries to tap the best possible suggestions and feedbacks that are genuinely shared by these exemployees for the development of the institution. With each passing year the commitment of exemployees towards the institution only gets bigger and better.
