**NOTICE**

**Inviting Application for Additional Exam for the Internal Written Test**

The examination committee received several representations from the students about missing out the application for additional internal examinations (written theory papers) for SEM II, Sem IV and Sem VI held in the month of January, February and first week of March 2024. The committee has taken a considerate view to accommodate these and is hereby inviting applications for the above mentioned internal examinations.

Students are required to note that the additional examinations will be allowed only on the proved medical grounds. The students who had already applied for these examinations need not apply again.

Submit your application tomorrow, 27<sup>th</sup> March 2024 at 10:30 AM in Examination Room (103-First Floor) to the controller of the examination. The application should be submitted along with authentic medical certificates. There will be no extension to this deadline.

After scrutinizing the fresh applications we will be publishing the list of eligible students. These examinations were earlier scheduled for 27<sup>th</sup> March and will now be held on 5<sup>th</sup> April, 2024. The SEM II additional exams will be held immediately after the last end semester examination of SEM II. Detailed time-table will be published soon.
