Q. How many colleges/programmes can I apply for?

Answer: There is no limit to this. The admission process is completely de-centralised, and the merit list is prepared at the Institution/College level. The preference has no relevance in it. You may get offered seat by more than one college and for more than one programme in each merit list. All colleges under the fold of University of Mumbai will be following the same time-line for application process, declaration of merit list and admission.
You don't have to pay any fee for registering on the University of Mumbai. You will have to 100 Rs./application for each programme at the college admission portal.

Answer: Only when you have a certificate from a competent government office to testify you as a beneficiary under the said category. EWS- (Economically Weaker Section) benefits only be given to students who have obtained an EWS certificate from the government, mere income proof of income being less than 8 LPA/- will not suffice. A valid certificate is needed in each case.

Answer: Many our students and alumni clear professional qualification in every attempt of professional course examinations. Many also get All India Rank. Rest assured, you are at the right place!

Q. I am not confident if I will get admission with my Class XII %. What should I do?
