Q. I have just got my Class Xth result, guide me about admissions?
You need to visit college website only after you are selected in the merit list. Application and Admission to FYJC (XIth) is done by the government on their portal. This document will confuse you.

Q. I want admission in MCOM / MSc. Please guide me.

Some of these questions might be applicable to you but the best way is to approach the co-ordinators and the refer to notices meant of M.COM /M.Sc. Students.

Q. What is the difference between admission of XIth and FY – UG (13th)?

XIth Admissions are centralised. Government decides every admission. Data Collection to seat allocation everything is done through single government website. The College has zero role to play. You get just one college in the merit list which is not the case at Degree College. You may get selected in 15 colleges for 60 programmes, if you applied at those many places and had the merit.

Just erase the entire XI standard admission process from your head! Its hard, but do it!!

FY- UG (13th) Admissions are decentralised.

University Portal: <https://muugadmission.samarth.edu.in/index.php/site/login>

Fill up the application forms for each college and each Programme (Programme refers to degree) at the Mumbai University portal. This portal only collects the data.

The portal collected a lot of data and documents. **They also collect preferences. Preferences at that portal has zero value/significance/relevance. Just ignore the preferences part, point blank.** The portal does not collect any fee. Fill up as many forms as you want!

College Portal Link: <https://enrollonline.co.in/Registration/Apply/MCC>

On this college portal, you will have to apply individually for each programme that you wish to take your chance of selection with.

Be mindful – Don't apply for SY or TY or Masters' Programme. Select only the names- which have FY at the start.

Even if you don't have all the documents to upload, it's fine. Just attach an undertaking that you will submit the missing document to college within 30 days of getting admitted. Write that on a piece of paper, scan and upload.

Payment of 100 Rs./ at the college portal completes the application process for the selected programme. 100 Rs. to be paid with each application. Apply and wait for the merit list. Check the website on the schedule date and time, for knowing the cut-off.

Q. What is the difference between Autonomous and Affiliated Colleges?

All the renowned and better colleges in Mumbai have either become separate University (HR/KC/ Somaiya) or have become Autonomous (MCC/ Vaze, DAV, Birla, etc).

First figure out if the college is autonomous (go to their website) and then add "(Autonomous)" in front of the programme that you are searching for on the University Portal.

All programmes of MCC are offered under Autonomous Category.

Autonomous Means- The College decides curriculum, fees, teaching methods, evaluation, question papers, exams, assessment and marksheet. Final Degree Certificate has University of Mumbai's Name.

There is no reason to freak out! With Autonomy, MCC has become one of the BEST !!

We are the most transparent, 100 % legally compliant, the most student centric, the most accessible and with seamless administration!

Our B. COM (Programme) is government aided, one of the most popular, the first choice of CA/CS/CMA/CFA aspirants in central suburbs and has the best value for money!! Quality education should not cost a bomb!

Q. What is an APAAR/ABC ID?

APAAR or ABC ID is to the education what ADHAAR is for taxation and subsidy!

You need to have your Aadhaar Card linked to any mobile, which is active and is within your access to get the OTP.

If you do not have your Aadhaar Card linked to a mobile phone which is accessible to you. visit the nearest Aadhaar Card Centre and get this sorted asap. If not, we can't help either.

Digilocker App or Website, will be needed for logging in and accessing your created ABC ID or for creating one. Log in by entering your Aadhaar. Get the OTP, set the security pin and join in. You can retrieve your forgotten passwords using the same method.

Q. Where to get the updates about admissions processes and timelines?

<https://chat.whatsapp.com/DyJnpjPmGTuGeohhEQIjvI>

This is the third group for the updates. Do not join this if you are already receiving the information about the admission process in any other group.

Q. Do we need CET for any of our Programmes?

Answer: No, all admissions are on the merit basis. (% Marks of Class XII).

Only B.Sc. (IT) will be based on Marks in Maths at Class XII.

Q. Do we offer BMS/BBA/BCA?

Answer: No, We don't offer these programmes. If you search the name of Mulund College of Commerce under these programmes, you will not find any result.

We call these programmes by different names which are as under:

A. Bachelor of Commerce (Management Studies) (Autonomous)

B. Bachelor of Commerce (Business Administration)

C. Bachelor of Science (Computer Application)

We had to change the name to save the students from the hassles of another entrance exam. The Degrees remain the same in every other aspect.

Q. How many colleges/programmes can I apply for?

Answer: There is no limit to this. The admission process is completely de-centralised, and the merit list is prepared at the Institution/College level. You may get offered seat by more than one college and for more than one programme in each merit list. All colleges under the fold of University of Mumbai will be following the same time-line for application process, declaration of merit list and admission.

Q. I am not available during the schedule of admission, how do I complete the process?

Answer: Application is completely online. Once your name appears in the Merit List (Your marks are more than the cut-off for the category under which you applied), document submission at the time of admission can be done by parents or relatives on your behalf. They should carry an authorisation letter from you and all the necessary document along with your and their photo ID proof.

Q. I do not have one of the needed documents? Will I get admission?

Answer: We need at least a print copy of class XII marksheet (PDF not Screenshot). For other documents you will be guided at the admission desk. For some of the documents, you can submit an undertaking for submission on a later date. Your admission will stand cancelled if you do not comply with submission of all the needed documents within 30 days of taking admission. **For online portals, just write an undertaking on a paper that you will submit that document that you don't have within 30 days of being granted the admission.**

Q. When can I apply under a reservation category?

Answer: Only when you have a certificate from a competent government office to testify you as a beneficiary under the said category.

EWS- (Economically Weaker Section) benefits only be given to students who have obtained an EWS certificate from the government, mere income proof of income being less than 8 LPA/- will not suffice. A valid certificate is needed in each case. Like-wise, SEBC certificate from the competent government authority alone, will make you eligible for the quote under SEBC.

If you belong to OBC/SBC/VJDT/NT categories, you will get extension of time to submit the non-creamy layer certificate. Caste validity certificate is not needed for any of the categories. Caste Category Certificates shall be issued only by the State of Maharashtra. Certificates from other State Governments are not valid. Fee Concessions/Subsidies are not available for all the programmes and the same is also not available for SEBC/ EWS /Sports/ Cultural Quota Students.

Q. I am pursuing professional course; will it be a good idea to take up a full-time undergraduate programme?

Answer: Many our students and alumni clear professional qualification in every attempt of professional course examinations. Many also get All India Ranks. We are known for providing the right eco-system and flexibility along with apt mentoring for the students to excel in their chosen field of career. Last Academic year we had 4 students from BCOM who got AIR in CA & CS Exams. The alumni network of professionals from Mulund College of Students out there, handholds and nurtures the young talents.

Rest Assured, you are at the right place!

Q. I am not confident if I will get admission with my Class XII %. What should I do?

Answer: Apply for the programme of your choice and wait for the merit lists. **Apply for B.COM programme, it has the largest number of seats, and you will have a higher probability of selection.** Take a follow up at college after the Third Merit List, if there will be cancellations or grant of additional seats, we will admit more students.

Q. I still have a lot of queries. How do I solve them?

Answer: It is simple. Explore the University and the College Website. Read all the notices, the prospectus and the messages being sent from time to time. If you are still confused, visit college office on working days between 9 PM to 12 PM.
