MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

VISION

- To educate youth to serve the nation with excellence and dedication leading to social, cultural & economic development of India.

MISSION

- To conduct the activities of the College with strict discipline for attaining the goals of intellectual and physical training for moral development and character building of the College.
- To impart sound, practical and rational education in Commerce, Economics, Business Management, Science, Law, Information Technology, Computer Science and such allied subjects.
- To plan and work to meet the perennially changing and growing challenges of a globalized world by introducing specialized training leading to professional capabilities and developing in students' different skills for competitive advantage.

OBJECTIVES

- To cultivate such qualities in the younger generation which will help them to be responsible members of the society in their adult life.
- To impart higher education in Commerce in response to the rising demand of industries and organizations.
- To reach great heights in the academic world and to achieve all round progress of the college with a view to develop Mulund College of Commerce as a first-rate institution.
- To provide opportunities to teachers to enrich themselves professionally.
- To develop relationships between the college and the community around the college and to initiate schemes to provide learning environment to the students and to achieve social welfare with the cooperation of social and cultural organizations.
- To ceaselessly pursue excellence by acquiring new dimensions of education, working for the welfare of the students and the society, providing adequate and modern infrastructural facilities, promoting sports, carrying out responsibility towards weaker students and by sincerely responding to the varied demands of the academic community.

तव स्मरण सतत स्फुरणदायी आम्हा घडो
त्वदीय गुणकीर्तनध्वीन सरम्य कर्णी पडो
स्वदेश हितचींतना विण दुजी कथा नावडी
तुझ्या समवी आमुचि तनुहि देशकार्यी पडो ।।

May your remembrance always be with us as the
source of inspiration,

May we always hear the song and symphony in
celebration of your virtues,

May no tale but that of our nation's good alone
interest us,

INTRODUCTION

There is nothing in this world as sacrosanct as knowledge.

Driven by the ideals of Shri Lokmanya Tilak—Enlightenment, Social Progress, Self-Esteem, and Empowerment through education—the Parle Tilak Vidyalaya Association (PTVA) was established on **9th June 1921**. As a fitting tribute to this great visionary, PTVA has committed itself to the noble cause of education for over a century. Today, it proudly serves more than **25,000 students** through its network of **five schools, three colleges, and a management institute**.

This legacy of excellence is steered by the able leadership of the PTVA Board, along with a dedicated team of trained, qualified professionals who are committed to delivering holistic education with the highest benchmarks of quality.

Mulund College of Commerce (MCC), founded in **1970** by visionaries such as Late Shri Babasaheb Pethe and Late Shri Baburao Paranjpe, stands as a shining example of this legacy. What began with a single Commerce faculty has grown into a multidisciplinary institution offering **12 undergraduate, 5 postgraduate, and PhD programmes**. MCC is now one of the most sought-after colleges in the **Central Mumbai Suburbs**, especially for those aspiring to build careers in Commerce, IT and professional studies.

At MCC, students are nurtured not only academically but also encouraged to excel in **sports, cultural activities, and community service**.

In **2021-22**, MCC was conferred with **Autonomous Status** by the **University Grants Commission**, a milestone that reflects our commitment to academic excellence. With autonomy, we now have the freedom to design and update our curriculum, implement our own evaluation systems, and introduce **skill-based, industry-relevant programmes** that enhance student employability.

MCC is one of the few colleges which pioneered in implementing **National Education Policy (NEP 2020)** from the academic year 2022-23. MCC is poised to elevate its standards and expand its impact. Our pursuit of excellence will always keep learners at the center of everything we do.

We welcome you to the MCC family and invite you to be part of this journey toward excellence.

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

FROM THE PRINCIPAL'S DESK

Welcome to MCC!

In Mulund College of Commerce we believe education should go beyond the prescribed curriculum. We give the **freedom to our Students and Faculty to experiment**, explore subjects across disciplines, focus on research, engage in startups, and work on creative projects. Through experiential learning, interdisciplinary and character-building activities, we aim to develop efficient learners who are self-driven, resilient, and ready to thrive in any dynamic environment. True education is about more than acquiring knowledge. It is about **transforming how we think, a change or shift in inner mindset driving outer life changes for better**. In a world that is rapidly evolving, the ability to adapt, to think critically, and to push our own boundaries is more valuable than ever. We prioritize to nurture mindset that is open and curious.

We encourage our students to **broaden their horizon** by interacting with people from diverse backgrounds, taking up internships and participating in exchange programs etc. We inspire students to not be afraid to **break barriers** - be it cultural, academic, or personal and step out of their comfort zone because that's where real growth happens. **Diversity, Equity & Inclusion** are the pathways which we promote as an institution.

In an era where **Artificial Intelligence** is rapidly transforming the world, education must go beyond rote learning and routine tasks; in our institution we have enforced the same through Autonomy & NEP 2020 implementation. We are committed to fostering our students to not only be academically intelligent but also be emotionally strong, ethically grounded, and creatively driven that no machine can replace. AI can process data and automate jobs, but it cannot dream, empathize, or lead with vision. Our focus is on building individuals who think critically, adapt quickly, and solve real-world problems with human insight. We encourage collaboration, innovation, and a strong moral compass, ensuring our students grow into leaders who embrace technology while preserving their unique human strengths. Let us shape a generation that will not be replaced by AI, rather will add value to AI and build a better world.

The **future of education** lies in lifelong learning and interdisciplinary thinking. Paths in academics and career will always be filled with challenges, but we train the students not to see that as obstacles but as opportunities to strengthen their character, re-define their goals, and be open to diverse career paths, as Success is not about never falling; it's about rising each time you do.

Dr. Sonali Pednekar

Principal

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

FROM THE VICE PRINCIPAL'S DESK

“Education is the best friend. An educated person is respected everywhere. Education beats the beauty and the youth.”— Chanakya

I feel happy to welcome you to PTVA's Mulund College of Commerce (Autonomous). It is indeed my privilege to work in the position of Vice Principal in this dedicated and innovative team that aspires for the highest quality of educational programs for the students.

Having taught for over 27 years, education has been a fulfilling journey for me. I look forward to using this experience to support the growth and success of our students.

At our college, we focus on not just academic, physical, and mental development but also emotional, social, and cultural values. As envisioned in National Education Policy 2020, which aspires to an inclusive, high-quality education system imbued with Indian culture, we will help develop our students to become responsible citizens who will go a long way in the nation's advancement towards the goal of Viksit Bharat.

Supported by management and under the auspices of our ever-guiding Principal, Dr. Sonali Pednekar, we have started putting NEP 2020 into practice. This is part of a massive attempt in which we hope our students will be taught to uphold values of honesty, loyalty, respect, patriotism, and compassion toward a larger goal.

With thorough dedication, our management and staff shall ensure that students are shaped into positive and responsible human beings: morally upright, academically enriched, thoughtful, and kind. I believe that education can uplift individuals, communities, and entire societies. It should encourage creative and critical thinking and develop within them a passion for lifelong learning.

The support and cooperation amongst the teachers, the parents, and the entire school community synergistically create an environment wherein the students can indeed flourish. Being the Vice Principal, I stand here to support and work with each one of you on this joint task.

I encourage you to visit our college website to familiarize yourself with the various programs, events, and opportunities available. If you have any questions or need assistance, do not hesitate to reach out to our administration team for any help.

Dr. Shivaji Pawar

Vice-Principal

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

FROM THE JUNIOR COLLEGE'S VICE PRINCIPAL'S DESK

A Journey of Excellence

Our esteemed college, a place where academic rigor, cultural vitality, and sporting excellence come together to shape the leaders of tomorrow. As the Vice Principal of Junior College, I have had the privilege of witnessing the transformative journey of our students across various spheres of life.

Our college has consistently maintained an unwavering commitment to academic excellence, Cultural Participation, Sports & Physical Education. This year also our students have surpassed new benchmarks in terms of performance across various fields. Our college had an impressive pass percentage in board exams in the academic year 2024-25. The hard work and dedication of our teaching faculty, coupled with the resilience and determination of our students, have enabled us to create a learning environment that fosters both intellectual growth and practical application.

Our commitment to fostering holistic development is reflected in the flourishing cultural scene & Sports events at our college. We encourage students to participate in inter-collegiate and national-level competitions, where our talented individuals and teams have earned accolades for their exceptional performances. The enthusiasm & spirit exhibited during these events not only help in the development of creativity but also in nurturing leadership and collaboration skills. The spirit of sportsmanship, discipline & determination exhibited by our students is truly commendable, and their achievements in these areas are a testament to the college's emphasis on developing both the mind & body. Apart from academics, culture, and sports, we have continuously worked towards improving other aspects of student life. This year, we launched initiatives aimed at mental well-being, career counselling, and social outreach programs.

As we continue to evolve, our core mission remains clear: to nurture well-rounded individuals who excel in academics, contribute meaningfully to society, and possess the confidence to thrive in any field they choose. The achievements of our students across academics, sports, and cultural activities are a testament to the dedication of both our faculty and students. Together, we will continue to build on this legacy of excellence and provide opportunities for all to grow and succeed.

Mr. M. W. Patil.
Vice-Principal
(Junior College)

LIBRARY

“Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life. Libraries change lives for the better.”

— Sidney Sheldon

In Mulund College of commerce, library plays a vital role in the teaching and learning process. Library provides many unique services to fulfil the needs of students, teachers and researchers. College is well equipped and fully computerized with KOHA library automation software. Library books are issued to students by providing a valid MCC Identity card. The library is open on working days from between **7.30 a.m. to 7.30 p.m.**

OBJECTIVES OF LIBRARY:

- To develop and maintain reading habits among the students.
- To assist students in their personal growth and sharpen their intellectual curiosity.
- To provide Information source necessary for teaching learning process across various programs and their subjects.
- To assist teachers to the latest development in their area of specialization

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

AUDITORIUM

The college has a spacious and air-conditioned auditorium with seating capacity of more than 300. The Auditorium is made available for all the curricular, co-curricular and extra-curricular activities.

GYMKHANA

The spirit of Sportsmanship is encouraged by the college. A spacious gymkhana has infrastructure and facilities for indoor games. College makes the necessary resources available to students for all the sports. Our students have participated even at international levels.

TURF

A state-of-the-art synthetic turf is the latest addition to the college premises. It is Perfect for box cricket, basketball, tennis, volleyball, badminton and many more sports activities.

LABORATORY FACILITIES

The college has three well-equipped Computer laboratories including one Electronic and Internet of Things laboratory. The computer laboratories are equipped with latest computers, internet facility, printers and scanners. The computers are connected in a network for easy access of students' projects and documents. All the courses have IT as the integral part and these laboratories cater to the students from various programs. The number of computers in each lab is as follows:

Laboratory	Number of Computers
1	60
2	60
3	57
Total	177

The labs are also used for research and development with MATLAB, SPSS, R, Microsoft Visual Studio, Oracle, Java software installed. These have also helped the students to develop professional projects.

The Electronics and Telecommunication lab is equipped with Cathode Ray Oscilloscopes, Frequency Generators, Power Supplies, Breadboards, ICs, Logic Probes, Training Kits, 8085 Microprocessor Kits, 8051 Microcontroller Kits, AM/FM generators and related cables, cutters and strippers. The lab mainly caters to the students of Computer

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

Science and Information Technology.

The lab has also various open-source software installed like Linux, R, Selenium, Python to encourage students to use those. Various graphics software is also installed for web designing and graphics designing. Antivirus tools are installed to protect the data. Every computer has internet connectivity to be used for educational purpose.

The labs are open from **7.00 am to 8.30 pm** giving enough time for the students to complete their projects and assignments. The labs are supported by lab assistants who assist the students in case of any difficulty and are maintained by in-house engineer.

CODE OF CONDUCT FOR THE LEARNERS

The Learners should

1. Abide by all the rules and regulations of the college and the university as enforced and amended from time to time.
2. Participate actively in the learning process.
3. Conduct themselves in ways that do not lead to indulgence or promotion of eve-teasing, ragging, racism, sexism, regionalism, communalism, casteism, ableism, body-shaming, or any other form of discrimination through their acts or words.
4. Co-operate in implementing policies of the institution which are designed for the benefit of themselves and the institution.
5. Act with politeness while communicating with their peers and staff of the college.
6. Refrain from making use of the affiliation to the college in any capacity for personal gains without written authorization from the college.
7. Disclose any conflict of interest, promptly and completely while they are registered as a student.
8. Refrain from passing any distasteful remark against anybody which may lead to any conflict or legal action.
9. Refrain from using print, digital or any other media to defame/tarnish the image of the college.
10. Refrain from defacing or damaging the college property.
11. Raise their grievances, if any, at an appropriate forum and in an appropriate manner.
12. Appreciate the diversity among the individuals and shall pro-actively help the college authorities in creating an inclusive, enabling and just environment for all.
13. Not consume tobacco, alcohol, or other prohibited substances within college premises nor shall the learners attend college in a state of intoxication.
14. Dress appropriately to befit a congenial learning environment on the campus.

USE OF ELECTRONIC GADGETS

Students shall not use mobile phones or other similar electronic gadgets for non-educational purposes and in ways that would disturb the conduct of class, ambience of library or decorum of college. Students violating this norm shall face strict disciplinary action.

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

ANTI RAGGING WARNING

THE MAHARASHTRA PROHIBITION OF RAGGING ACT, 1999 MAHARASHTRA ACT NO. XXXIII OF 1999

Ragging means display of disorderly conduct, doing of any act which causes or is likely to cause physical or psychological harm or raise apprehension or fear or shame or embarrassment to a student in any educational institution and includes -

- I. Teasing, abusing, threatening or playing practical jokes on, or causing hurt to students or
- II. Asking a student to do any act or perform something which such student will not, in the ordinary course, be willing to do.

Prohibition of ragging:

Ragging within or outside of any educational institution is prohibited.

Penalty of ragging:

Whoever directly or indirectly commits, participates in, abets or propagates ragging within or outside any educational institution, shall, on conviction, be punished with imprisonment for a term which may extend to two years and shall also be liable to a fine which may extend to ten thousand rupees.

Dismissal of student:

Any student convicted of an offence under Section 4 of the Act shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.

Suspension of student:

1. Whenever any student or, as the case may be, the parent or guardian, or a teacher of an educational institution complains, in writing, of ragging to the head of the educational institution, the head of that educational institution shall, without prejudice to the foregoing provisions, within seven days of the receipt of the complaint, enquire into the matter mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence, and shall, immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated, for further action.
2. Where on enquiry by the head of the educational institution, it is proved that there is no substance, prima facie, in the complaint received under sub-section (1), he shall intimate the fact, in writing, to the complainant.
3. The decision of the head of the educational institution that the student has indulged in ragging under sub-section (1), shall be final.

NOTE: The student(s) should report the incident of ragging (if any) to the principal immediately, so that the necessary steps can be initiated in the matter.

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

COLLEGE OFFICE

- 1 College office counter is to be contacted only during counter timings for work relating to Admission, Payment of Fees, Railway Concessions, Bonafide Certificates, Leaving Certificate, Transfer Certificate, No- Objection Certificate, True Copy, Examination Forms, Transcript, Grade Cards, etc. The certificates applied for may not be issued on the same day. MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

NEP 2020 IMPLEMENTATION AT MCC

NEP 2020 lays the foundation for a more equitable, accessible, and high-quality education system in India. The structure of the Three/Four-year bachelor's degree program allows the opportunity to the students to experience the full range of holistic and multidisciplinary education in addition to focus, on the chosen major and minors as per their choices.

Every course offers different categories of Major (core) Subjects of study under two categories:

1. **Department Specific Core (DSC)**
2. **School Specific Core (SSC)**

- Credits offered per Semester will be a Minimum 20 and a Maximum 22.
- 30 Hours of teaching is required to receive 2 Credits.

The minimum and maximum credit structure for different levels under the Three/Four -year UG Program with multiple entry and multiple exit options are as given below:

Multiple Entry and Exit Points (Under NEP 2020)

Year	Certification
First Year UG	UG Certificate
Second Year UG	UG Diploma
Third Year UG	Bachelor's Degree
Fourth Year UG	Honor's Degree

UG CREDIT STRUCTURE

Levels	Qualification Title	Year	Semesters	Credits per semester	Min Credit Requirements
4.5	UG Certificate	1	I & II	22	44
5.0	UG Diploma	2	III & IV	22	88
5.5	Bachelor's Degree	3	V & VI	22	132
6.0	Bachelor's Degree - Honors	4	VII & VIII	22	176

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

In general, for the three/four years' bachelor's degree Programme, the following broad categories of courses are under taken:

- **Major Mandatory & Major Elective:** includes core subjects pertaining to the Discipline Specific Course (DSC)
- **Minor:** The Minor subjects may be from the different disciplines of the same faculty of DSC Major (Core) or they can be from different faculty altogether.
- **General or Open Electives (GE/OE):** Where subject is to be chosen compulsorily from faculty other than that of the Major. Basket of subject options are given to students to choose from.
- **Vocational Skill Courses (VSC) & Skill Enhancement Courses (SEC):** Skill based Courses. Students are provided with basket of subject options to choose from.
- **Ability Enhancement Courses (AEC)**
- **Indian Knowledge System (IKS)**
- **Value Education Courses (VEC)**
- **Field Projects (FP)/ Internship/ Apprenticeship/ Community Engagement program (CEP)** and Service corresponding to the Major (Core) Subject.
- **Co-curricular Courses (CC):** such as Health and Wellness, Yoga education, Sports and fitness, Cultural Activities, NSS/NCC and Fine/ Applied/ Visual/ Performing Arts.
- **Research Project (RP)**

Indian Knowledge System (IKS): The NEP 2020 recognizes the rich heritage of ancient and eternal Indian knowledge and thought as a guiding principle. Indian Knowledge Systems comprise Jnan, Vignan, and Jeevan Darshan, which have evolved from experience, observation, experimentation, and rigorous analysis. This tradition of validating and putting into practice has had a profound impact on various aspects of Indian society, including education, arts, administration, law, justice, health, manufacturing, and commerce. It has also influenced classical and other languages of Bharat, which were transmitted through textual, oral, and artistic traditions. "Knowledge of India" in this context encompasses knowledge from ancient India, along with its successes and challenges, and reflects India's future aspirations in areas such as education, health, environment, and all aspects of life. Our college has developed course related to IKS for across all the programs.

List of Co- Curricular Courses offered by college under different categories: Around 21 courses are offered to students under CC.

DEGREE COLLEGE

(B.COM) Bachelor of Commerce (As Per NEP 2020)

Highlights of the Program:

Number of years	03
Number of Semesters	06
Intake Capacity	600

- The program is fully aided by the Government and offers the advantage of subsidized quality education at the hands of fully qualified and experienced faculty.
- A graduate in B. Com program is adequately exposed and trained in several disciplines which prepares them to choose a career out of many fields like Finance, Accounting, Banking, Insurance, Management, Marketing, Law, etc.
- MCC, being a 'CA Factory', provides a conducive environment for learners to pursue professional courses like CA, CS, CMA and ACCA along with their graduation program. B. Com being the oldest program of the college has good industry linkage and a rich network of illustrious alumni who are more than willing to mentor the new batches.
- Students are also mentored for succeeding in government recruitment exams like UPSC, MPSC, IBPS, SSC, RRB, etc. The program offers Mathematics and Environmental Studies in two semesters, which helps students in competitive examinations. The skill and value based additional courses further hone the students in building competencies for job-readiness.

Eligibility Criteria:

A candidate for being eligible for admission to the three-year degree course leading to the Bachelor of Commerce must have passed the Higher Secondary School Certificate (Std. XII) examination conducted by the different Divisional Boards of the Maharashtra State Board of Secondary and Higher Secondary Education.

OR

Must have passed the Higher Secondary School Certificate (Std. XII) examination with vocational subjects/minimum competency based vocational course conducted by the different Divisional Boards of the Maharashtra State Board of Secondary and Higher Secondary Education.

OR

Must have passed examination of another University or Body recognized as equivalent to Higher Secondary School Certificate (Std. XII) Examination.

Program Timing: 07:15 a.m. - 10:51 a.m.

(Tutorials and Practical batches are conducted after lecture hours and end by 12:30)

B.COM (Banking, Financial Services & Insurance) (BFSI) (As per NEP 2020)

Apprenticeship Embedded Degree Program*

About the program

A course in B. Com - Banking Financial Services & Insurance (BFSI) is designed to equip undergraduate students with the knowledge and skills required to navigate and succeed in various roles within the BFSI industry. It's a three-Year Course, 2 years of regular studies along with 1 year of Apprenticeship.

No of Years	03
No. of Semesters	06
Intake Capacity	60
Apprenticeship	In 3 rd Year

Highlights of the program

Apprenticeship Training in the context of the BFSI (Banking, Financial Services, and Insurance) sector in India. This refers to structured programs designed to provide a blend of practical, on-the-job training and formal classroom education. This program aims to equip individuals with the essential skills and knowledge*required for various careers within the BFSI industry. This program bridges the gap between theoretical education and industry requirements, providing students with hands-on experience and industry-specific expertise.

Program Timings: 4.30 PM to 7.30 PM

Eligibility

- (a) A candidate for being eligible for admission shall have passed H.S.C. Examination of the Maharashtra Board of Higher Secondary Education or its equivalent in one and the same sitting.
- (b) Every candidate admitted to the degree course in the constituent /affiliated college/ recognized institution conducting the course, shall have to register himself / herself with the university.

Benefits of Apprenticeship Training Practical Experience

Apprentices gain hands-on experience, which is invaluable for understanding the intricacies of the BFSI sector. Skill Acquisition: Training focuses on developing both technical skills (e.g., financial analysis, risk assessment) and soft skills (e.g., communication, teamwork). Employment Opportunities: Successful apprentices often receive job offers from their training institutions, enhancing job prospects. Apprenticeship plays a crucial role in developing a skilled workforce, enhancing employability, and meeting

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

the evolving needs of the BFSI industry in India. By combining practical experience with theoretical knowledge, apprenticeships prepare individuals to meet the demands of the industry and excel in various professional roles. This approach not only benefits the apprentices by enhancing their employability but also helps the BFSI sector by cultivating a skilled and competent workforce.

Highlight of the Program

The school of Business is focused towards transforming young aspiring minds into tomorrow's managerial Professionals all geared to take on challenges of the corporate world. One of the best pedagogies would be "Grooming & Transforming" – developing the potential of students, guiding and empowering them to create a cutting edge for themselves. This is to facilitate self-growth to bring in a realization of the self-worth through empowerment and competence building.

Practices like experimental learning, peer learning, collaborative and cooperative teaching, flip classroom with effective use of ICT have made learning innovative and enriching for both the students the faculty. Professionals from the industry would be invited to conduct guest lectures to keep them abreast of the latest Developments in the business world.

Bachelor of Commerce (Business Administration) or BBA is one of the most popular under graduate Degree programs. The BBA program is Business & Entrepreneurship driven. It has dynamic array of Major, Minor courses, Electives, Vocational skill-based courses and Ability Enrichment courses, Value Education Courses, Digital fluency and Skill enhancement courses. This program emphasis mainly on Experiential learning, so that they devote more to the business areas that they are placed.

This program helps in nurturing every student and budding entrepreneur to understand their innate abilities, strengths and work on the needed skill areas. The program will nurture the students with conceptual clarity and more emphasis on application-oriented approach on the business scenario. Each and every subject will be dealt with case studies, Role plays, Real life challenges and simulation models.

Eligibility Criteria:

A candidate for being eligible for admission to the BBA. Degree Course shall have passed H.S.C. Examination of the Maharashtra Board of Higher Secondary Education or its equivalent examination or Diploma in any Engineering branches with two years or three years duration after S.S.C. conducted by the Board of Technical Education, Maharashtra State or its equivalent examination in one attempt.

The admissions are purely based on merit duly following the reservation policy as per the norms of Government of Maharashtra. **Program Timing: 12:00p.m. - 6 p.m.**

Bachelor of Science (Computer Science)

No of Years	03
No. of Semesters	06
Intake Capacity	120

Highlight of the Program

We are in the midst of a revolution in the world of computing that will have far-reaching implications on all of our lives. The emergence of this new digital era has brought in many scientific, technological and social challenges. The complexity of today's computing systems necessitates the expertise of knowledgeable and dynamic professionals with a strong understanding of the fundamental concepts as well as in-depth knowledge of specialized fields. The first year is dedicated to developing programming abilities and program design approaches. The second year focuses on improving software development using a variety of modern platforms. The final year offers a range of more advanced topics which makes a student industry ready.

Eligibility-Criteria

A candidate for being eligible for admission to the three years integrated course leading to the degree of Bachelor of Science (B.Sc.) must have passed Higher Secondary School Certificate Examination (Std. XII) in science stream conducted by the Maharashtra State Board of Secondary and Higher Secondary Education with Mathematics and Statistics as one of the subjects or its equivalent.

Admission will be on merit, based on order of preference as follows: Aggregate Marks at H.S.C. or equivalent.

1. Aggregate Marks in Science Group (Physics, Chemistry and Mathematics)
2. Marks in Mathematics and Statistics.

Program Timing: 7:15 a.m. - 12:40/2:30 p.m.

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

Bachelor of Science (Information Technology)

No of Years	03
No. of Semesters	06
Intake Capacity	120

Highlights of the program:

The BSc (IT) is a three-year full-time degree program that is divided into six semesters, with two semesters per year which prepares the students to meet the information and communication technology needs of government, business, healthcare, universities, and other types of organizations. The application of computers and telecommunication systems to produce, manipulate, store, organize, retrieve, and transmit data is known as information technology (IT). It entails the creation, installation, implementation, management, and upkeep of computer hardware and software within businesses, universities, and other organizations. Programming, Database Management, Networking, Artificial Intelligence, Software Engineering, Electronics, and Applied Mathematics are among the topics covered in the course. Taking into consideration the current trend, the course has made room for new technologies such as Android Programming, Green Computing, and so on.

The Course provides fundamental inputs in a variety of areas as well as a broad understanding of IT and its disciplinary interfaces

Eligibility Criteria:

HSC or equivalent from any stream with Mathematics as one of the subjects / 3 years Diploma from MSBTE or equivalent.

Program Timings:

First Year:

Practical- 10:30 a.m. to 12:30 p.m., **Lectures-** 12:40 p.m. to 6:00 p.m.

Second Year:

Lectures- Monday, Wednesday, Friday: - 10:50 a.m. to 4:10 p.m. Tuesday, Thursday, Saturday: - 10:50 a.m. to 2:00 p.m.

Practical- Tuesday, Thursday, Saturday: - 2:30 p.m. to 6:00 p.m.

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

Bachelor of Science (Data Science)

No. of Semesters	06
No of Years	03
Intake Capacity	60

Highlights of the Program:

The BSc (Data Science) is a three-year full-time degree program that is divided into six semesters, with two semesters per year. The goal of this course is to provide a study program that combines data science, machine learning, statistics, and mathematics. The program employs a rigorous approach, a mathematical focus, and involves the application of data science to the social sciences.

This program provides in-depth training in the statistical foundations of data science, as well as a solid foundation in the computing skills and algorithmic reasoning required for modern data analysis. The BSc in Data Science is one of the most popular degrees among IT, market research, and advanced hi-tech companies because it meets their needs for providing valuable insights, decisions, or solutions from large amounts of data required for organizational growth. As a result, a BSc in Data Science is quickly gaining popularity among IT professionals.

Eligibility Criteria:

Any student who has completed HSC or equivalent in Arts / Science / Commerce / MCVC with Mathematics or Statistics as one of the subjects. Any student who has completed Diploma in IT / CS/ Electrical / Electronics / Mechanical / Civil / Electronics and Telecommunication / Instrumentation and allied branches from MSBTE or equivalent board. Any student who has completed HSC or equivalent in Arts / Science / Commerce / MCVC without Mathematics or Statistics will have to undergo a bridge course of 30 hours on Mathematics and Statistics.

Program Timings: 2:30 p.m. to 8:30 p.m.

Program Structure: B. Sc (Data Science) (As per NEP 2020)

Bachelor of Science (Computer Applications)

No. of Semesters	6
No of Years	3
Intake Capacity	60

Highlights of the Programme

Welcome to the Bachelor of Science (Computer Applications) (B.Sc. (CA)) program at PTVA's Mulund College of Commerce (Autonomous)! This program is designed to provide students with knowledge and skills to become successful professionals in the field of computing. The B.Sc. (CA) program focuses on computer fundamentals, programming in languages such as C and Java, database management, internet technologies, operating system concepts, and more. The curriculum offers a balanced approach to software development, and the courses cover a wide range of topics ranging from design principles to software security. Throughout the program students develop practical skills and apply their knowledge in hands-on projects. This program enables students to create a strong foundation of computing concepts and gets them ready to develop computer applications and website for organizations. We look forward to providing students with the knowledge and skills they need to become successful professionals in the field of computer applications and welcome them to the B.Sc. (CA) program.

Eligibility: Any student who has completed HSC or equivalent in Arts / Science / Commerce / MCVC with Mathematics or Statistics as one of the subjects. Any student who has completed Diploma in IT / CS/ Electrical / Electronics / Mechanical / Civil / Electronics and Telecommunication / Instrumentation and allied branches from MSBTE or equivalent board. Any student who has completed HSC or equivalent in Arts / Science / Commerce / MCVC without Mathematics or Statistics will have to undergo a bridge course of 30 hours on Mathematics and Statistics.

POST GRADUATION COURSES

M.Com: Masters in Commerce

Specialization:

- Advanced Accountancy- MAA (Aided)
- Business Management – MBM (Self-Financing)
- Banking And Finance – MBF (Self Financing)

No of Years	02
No. of Semesters	04

Intake Capacity:

Advanced Accountancy- Aided (80)

Business Management- SFC (60)

Banking and Finance- SFC (60)

Highlights of the Program:

The Mulund College of Commerce (MCC) is a well-known brand in commerce education in the Mumbai university. In order to quench the thirst of the students for post-graduation in commerce, the college started M.COM (Accountancy) in 1980. It is an aided course since its beginning. In addition to the above, the college further started two more specializations in M.COM course i.e. M.COM (Business Management) & M.COM (Banking & finance) in the academic year 2012-13 & 2016-17 respectively. The different specializations enable students to select the course of their choice. All the above courses are evening courses. They provide opportunities to take further education even to the working students.

The post graduate center provides all essential facilities to the students. The library is fully computerized & well equipped with text books, reference books & related articles, journals & books on various competitive examinations.

The teaching staff is well experienced and qualified which helps the college to achieve excellent results. The students of the college have topped the merit list of the university with the highest marks. The college results always show better performance than the university results.

The faculties also mentor students about their career planning, placement guidance etc. which motivate them towards competitive examinations and professional courses. The professional counsellor is appointed to counsel the students regarding their academic and personal problems.

Eligibility Criteria: A candidate for being eligible for admission to the two-year degree course leading to the Master of Commerce must have passed the Bachelor of Commerce examination conducted by the different Universities of the Maharashtra.

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

Master of Science (Information Technology)

No of Years	02
Intake Capacity	60
No. of Semesters	04

Highlights of the Program:

M.Sc. Information Technology (IT) focuses on developing a student's technical competence in information technology theory, application, and research-related aspects. M.Sc. IT is a two-year full-time postgraduate program that is divided into four semesters, with two semesters per year. The program's goal is to prepare students for careers in the IT industry as well as research. M.Sc. IT program is designed to provide students with theoretical as well as application knowledge and to prepare them for research in the field. Because this program's specialization is in information technology, candidates enrolled in the course are trained to be productive in the industry and to pursue good career opportunities in the future.

The program aims to provide technology-oriented students with the knowledge and ability to develop creative solutions, as well as a better understanding of the effects of future computer system and technology developments on people and society.

Eligibility Criteria:

B.Sc. (Information Technology) / B.Sc. (Computer Science) / B.Sc. (Data Science) / B.Sc. (Artificial Intelligence) / B.Sc (Cloud Computing) / B.Sc. Mathematics / B.Sc. Physics / B.Sc. MASTER OF SCIENCE IN FINANCE

No of Years	02	No. of Semesters	04
Total Credits	104	Intake Capacity	30

Highlights of the Program:

M.Sc. Finance is an appropriate program for students who want to be financial maestros. The program covers econometrics tools to be utilized in the financial domain along with Financial Modelling, Corporate & International Finance. This course will help learners to acquire good job opportunities in the field of Finance. This program is similar to that offered by the University of Mumbai since 2013. As and when the University of Mumbai plans for the progression of this program for higher studies, the same shall be applicable.

Eligibility Criteria:

The candidate should be a graduate in any faculty having scored a minimum of 50% marks and should have opted for mathematics at higher secondary or higher level or in the first year of the undergraduate program. Provisional admissions, if given, will be confirmed after fulfillment of eligibility.

Program Timing: 3:40 p.m. to 8:30 p.m.

PH.D. CENTRE IN COMMERCE (WITH SPECIALIZATION IN BUSINESS ECONOMICS)

A new milestone in the history of Mulund College of Commerce was the start of Ph.D. center in Commerce with specialization in Business Economics in June 2014 recognized by University of Mumbai. The College Library has a wide collection of books in the subjects of Commerce, Management, and Economics. In addition, adapting to the digital era, the library is suitably equipped with access to E-books, E Journals and OERs. This has enabled the college faculty to achieve academic advancement in their chosen field.

Research forms a strong base for academic progress. Keeping this in mind, the college encourages, motivates and guides the students in their pursuit of research right from their under-graduate programs through projects, assignments, events and competitions. Once the students fulfill their basic eligibility for Ph.D., the college encourages them to pursue high research.

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

REFUND OF FEES

Rules regarding refund of fees in case of any cancellation of admission for all undergraduate courses are applicable as per university norms (University Circular No. UG/412 of 2008 dated 11th September, 2008).

Fee Deduction on cancellation of admission

Period and percentage of deduction charges					
(I)	(II)	(III)	(IV)	(V)	(VI)
* Prior to commencement of academic term and instruction of the program	Upto 20 days after the commencement of academic term of the program	From 21st day upto 50 days after commencement of academic term of the program	From 51st day upto 80 days after commencement of academic term of the program or August 31st whichever is earlier.	From September 1st to September 30th	After September 30th.
Rs. 500/- lump sum	20% of the total amount of fees.	30% of the total amount of fees.	50% of the total amount of fees.	60% of the total amount of fees.	100% of the total amount of fees.

Ordinance 2859 of University of Mumbai

Refund of Tuition, Development and all other fees after cancellation of admissions: The candidates who have taken admission in under graduate courses in Govt. colleges, in Govt. aided and SFC courses conducted by affiliated colleges, and recognized Institutions may request for refund of fees after applying in writing for cancellation of their admission to the course. The refund of fees as applicable shall be made on or before 30th day after the date of cancellation and thereafter. The percentage of fee for the course shall be refunded to the candidate after deducting charges as follows: The total amount considered for the refund of fees from the commencement of academic term of the program includes the following:

- All the fee items chargeable for one year are as per relevant University circulars for different faculties (excluding) the program for which the total amount is fixed by other competent authorities).
- The fee charged towards group insurance and all fee components to be paid as university share (including Vice-Chancellor fund, University fee for sports and cultural activities, E-charge, disaster management fund, exam fee and Enrolment fee) are non-refundable.
- Fee collected for Identity card and Library card, admission form and prospectus, enrolment and any other program specific fee are not refundable after the commencement of the academic term.

All refundable deposits (Laboratory, Caution Money and Library etc.) shall be fully returned when a student leaves the college or cancels the admission on production of original fee receipt. Deposits not claimed within one year of leaving the college or cancellation of admission will be forfeited. For the students who are leaving the college after completion of studies, schedule

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

for the refund of deposit will be put up on the college notice board after the declaration of the University result of the relevant program. For the students who cancel their admission in the middle of the course, the amounts of deposits will be

refunded to the student after 30 days from the date of receipt of their application duly signed by student and NOC from departments concerned.

RULES FOR FEE REFUND FOR POST GRADUATE COURSES (Vide University Circular UG/253 of 1996.)

- A. The registration fees once paid for the PG course will not be refunded for any reason.
- B. The Tuition fee paid by the candidate for the course in which he/she is registered as a PG student will be refunded to him/her if he/she leaves the said program without attending any lectures, seminars or practical, subject to a deduction of 25% of the tuition fee. The application by the candidate for such refund will only be entertained if it is received by the principal/Registrar/ Head of Department within fifteen days of the date of commencement of the lectures of the academic year in which the fees is paid.
- C. The Tuition fee paid by the candidate for the program in which he/she is registered as a PG student will be refunded to him/her if he/she leaves the said program and joins another program of Mumbai University for which he/she applied and the admission is made later, subject to a deduction of 25% of the tuition fee.

ADMISSION GUIDELINES

Admission to all undergraduate and postgraduate programmes will be strictly on a merit basis and as per the applicable reservation policy. The learners need to apply at the University of Mumbai Admission portal and select the college and Programme. This pre-admission form of University Admission Portal needs to be saved. The learners also need to apply at the college admission portal and wait for the merit list to be displayed. Once selected, the learners need to pay the fees for the desired Programme within the due date & time to confirm admission. Claims over seats will not be entertained if a student fails to pay the fees within the due period.

In-House quota seats are available only for B. Com Programme. Every learner who would be passing HSC exam in first attempt from Mulund College of Commerce can get admission to B.Com. (aided Programme), irrespective of the score at HSC. However, failure to pay the fee within the due date will render such in-house students ineligible for claiming a seat in B. Com later. The applicants are required to keep themselves informed about the admission process through the notices put up on the college website from time to time.

The Management or the college does not accept any donation or capitation fee for admission to any program offered by the college. The public is cautioned not to fall prey to any misleading information regarding admission in the college against donation. In case, any person approaches the students/ parents for donation/ capitation fee, the same should be reported to the principal immediately.

In the year 2021, University also entered its 4th Cycle of NAAC Accreditation with a CGPA of 3.26 and “A” grade. Academic Autonomy allows college to have its own Board of Studies and design its own Programme, courses and syllabus. The final degree certificate of every Programme will carry the name of University of Mumbai. For the academic year 2022-23, autonomous structures will be applicable only for PG programmes, FY & SY of UG programmes.

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

The learners will now be able to earn a higher number of credits alongside the credits earned through the regular courses in each Programme. A basket of credit based short-term courses are being offered to students to upskill themselves and increase their employability. The learners get the advantage of customizing their education by choosing courses of their liking and needs.

This year the college will be offering two highly specialized job oriented UG and PG Programme namely B.Sc. (Data Science) and M.Sc. (Finance)

Under Autonomy the college has adopted a continuous evaluation system. For each course (subject), learners are continuously evaluated for their academic participation for 40 Marks (internal assessment) and a semester end theory examination is held for 60 Marks. Individual passing of 40% in both internal assessment and semester end exam is needed for students to be successful in each course (subject)

Learners will be promoted to higher classes irrespective of the number of heads in which they pass. Promotion to higher class does not eliminate the need of passing the courses/subjects of earlier semesters. Final Semester grade-card and degree certificate will not be given unless the learners clear all their back-logs of all the semesters.

Learners who are not satisfied with the assessment can apply for revaluation and photocopy of their answer booklets as and when the notice of the same is given and as per University & College Guidelines.

ATTENDANCE NORMS

A) UNIVERSITY NORMS

The students must strictly follow the University norms of maintaining minimum 75% Attendance in every semester failing which they are not eligible to appear for the semester end exam. The relevant University Ordinance 0.6086 relating to Attendance is as follows

- 1) Every bonafide learner shall ordinarily be allowed to keep terms for the given semester in a program of his enrolment, only if he fulfils at least seventy five percent (75%) of the attendance taken as an average of the total number of lectures, practical, tutorials etc. wherein short and/or long excursions/ field visits/study tours organized by the college and supervised by the teachers as envisaged in the syllabus shall be
- 2) The same ratio shall be applied for computing the attendance of the learners by crediting the number of periods which are missed while participating in an extracurricular/co-curricular activity/competition/camp/ workshop/convention/symposium /seminar etc. where the said learner is of officially representing the college/University/District/State/Country with the permission of the Principal/ Director/Head of the College/Institute/University Department or by the direction of the University Oficer as the case may be wherein for the purpose of computing the average attendance the periods missed for what is envisaged here-in- above, at Sr. No 2, shall be deemed to have been attended by the said learner.

B) GENERAL RULES PERTAINING TO ATTENDANCE

- a) Students who request leave of absence from lectures / Practical/Tutorials for participating in sports, cultural should submit application or any other activity countersigned by the respective Co-ordinator.
- b) Parents of Degree/Junior College students are required to contact the Coordinator, Vice Principal or the

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

Principal, at-least once in a term, to keep themselves appraised of their ward's attendance and progress.

- c) All decisions pertaining to grant of terms will be decided by an Attendance Committee consisting of the principal & senior members of the teaching staff.

COLLEGE FESTIVALS

The vibrancy, energy and vibes of colleges manifest through their festivals which are held through immense dedication of students. The pulse of Mulund College of Commerce can be experienced through the festivals that we organize each year. The gist is as under-

Emporio- The Economics Department keeps the students on their toes in this festival of economics and finance. If money matters to you, this should as well! **Insta handle-mcc_emporio.**

Inspira Management Club- is for the students and by the students of Department of Management Studies. INSPIRA Management Club is formed to instill the theoretical learnings into a practical setting. Students plan, organize and execute various Management oriented activities for the Management and business administration students. The students of BMS and BBA are divided into four Management houses - Zenith, Emyrean, NextGen and Enigma. Each of these houses will conduct one Management activity and compete to secure the rolling winner's trophy. The activities are based on leadership skills, communication skills, teamwork, logical thinking etc. The teams and participants learn to face challenges, come up with creative ideas, decision making and also develop the personality.

Manthan- Churning of thoughts is a literary event organised by the Department of BAF, BBI and BFM. Manthan organizes three events, Speechify-elocution competition, Karwan-Poetry writing and recitation and, WARTalab-debate competition.

Math Wonder- The wonderful world of numbers is made more interesting and exciting by the department of Computer Science. Even the school students from the neighborhood take a huge interest in attending this exhibition!

Muse- Films have huge influence on our lives. Muse under the Department of Media Studies organizes film screenings to learn about the intricacies of film making from media perspectives. The screenings help students enrich their own contents.

Quantomania – The Mathematics Department entertains the maniacs of quantitative skills and keeps people enthralled in the world of numbers! **Insta handle- mcc_quantomania**

Shodh- The Department of Banking and Insurance organizes research competitions for young researchers where they are trained and mentored to present their research projects evaluated by the experts. The competition is a wonderful platform for young research enthusiasts.

Spectrum- The college organizes inter-collegiate cultural and sports festival around December each year. The festival receives a huge response from the colleges across University of Mumbai. It is a festival that defines the vibe of the college. You can explore more on the **insta handle- mcc_spectrum**

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

Tech-A-Thon - It is an inter-collegiate event where students from different institutions come together to collaborate, ideate, design, and develop solutions to various challenges. This 24-hour event encourages participants, either individually or in teams, to work on innovative projects or prototypes aimed at solving a specific problem or addressing a unique challenge.

Tech Anugrah - It is a bi-annual Newsletter from the School of Computing and Technology. The name Tech Anugrah blends English and Sanskrit, meaning "Grace of Technology."

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

COLLEGE PUBLICATIONS

Writing is an essential skill to build a career and create identity. The college offers multiple avenues for students to channelize their writing flare and spell the charm of words.

Commercium- It is a periodical published by the Department of Commerce and helps students write analytical pieces on the world of commerce and business.

E-cognisance- Department of Law annually publishes this e newsletter which helps students express their legal opinions in an articulate manner.

Finanza- The department of Financial Markets publishes this periodical which covers the news from the world of finance and investments.

Inspira- This bi-annual newsletter from the Department of Management Studies covers news, articles, poems and essays that are contributed and edited by the students of the department.

Pratibimb- Departments of BAF and BBI bring out this bi-monthly theme-based publication. It is a highly encouraging space for budding writers to get a wide readership.

Shutter speed- It is a bi-annual Newsletter from the Department of Media Studies. The newsletter has a team of skilled student editors who mentor budding student writers, bloggers, and photographers to report the events and activity of college in a way that captures the inherent richness and vibrancy of college life.

Vision- The college annual magazine – Vision is the forum for students to express their creativity and writing skills. It also highlights the achievements of the college and its students. It reflects the year that passed.

ACADEMIC, CO-CURRICULAR AND EXTRA CURRICULAR

The smooth functioning of various activities of the college requires meticulous planning, co-ordination, and teamwork. The list of various committees and their respective heads is given here under.

STUDENTS' COUNCIL

Students Council is a statutory body that is constituted as per the instructions received from the University of Mumbai and State Government of Maharashtra. The Students' Council has a fair representation of the students' community. The Council actively participates in organizing various events and activities in the college and is a strong link between the administration and student community.

NATIONAL SERVICE SCHEME (NSS)

The degree college has a full- ledged NSS Unit, functioning under the NSS wing of University of Mumbai. The objective of the NSS Programme is to bring holistic development in the personality of students through community work. After completing the Programme, the students receive a certificate from Government of India. Students who are interested in social work are encouraged to join the NSS Unit. The Unit enrolls 300 students every year, who enthusiastically participate in several community welfare projects. The Unit organizes area- based projects on varied socially relevant areas like environment conservation, health awareness, de-addiction, Swachha Bharat Abhiyan, AIDS Awareness Projects, Road Safety Drives, Communal Harmony etc. The unit also organizes various social awareness programs by joining hands with several NGOs who bring in the much-needed expertise and resources on the table. Th NSS Unit organizes several blood donation camps and rallies aimed at civic consciousness. Every year the Unit conducts a 7-days residential camp in a rural area to acquaint the students with challenges of rural areas. Each year many NSS volunteers also participate in various University, District, State and National Level Camps organized by University and Government. Our NSS unit and the Programme Officer have received accolades and appreciation for being one of the best at University and State Level. **Insta handle- nss unit of mcc.**

INTERNAL COMPLAINT COMMITTEE

Internal Complain Committee is constituted as per legal requirements. The committee legally addresses complaints of sexual harassment within the institution.

WOMEN DEVELOPMENT CELL

Women Development Cell actively works towards creating awareness and sensitivity about gender issues. Events and activities are organised around the theme of Gender Justice, Laws for Women, Health of Women, Self-Defence etc. Staff and Students actively participate in to build more inclusive, fair and just society.

MARATHI VANGMAY MANDAL

This student organisation was founded as a platform to promote various aspects of Maharashtrian culture at the collegiate level. The basic thrust area of the MVM is the promotion of Maharashtrian culture & literature amongst the youth. MVM conducts events such as “Marathi Bhasha Din”, “Mai Marathi, My Marathi” etc.

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

COUNSELLING CELL

In an increasingly competitive environment, personal and professional challenges of students cause a lot of stress. To cope with this, the college has set up a Counselling Cell. Counselling is provided by a professional counsellor, who helps the students in sorting out conflicting demands and in managing stress. Confidential assistance is given to help students understand their feelings and overcome challenges of interpersonal relationships. Depending upon the nature of intervention required, family members are also included in the counselling process.

PLACEMENT CELL

The Placement Cell works with the objective of imparting employability in our students & providing them with career opportunities. The Placement Cell also takes great efforts in providing internship opportunities to the students. The purpose of the Cell is to provide employment readiness that will meet the demands of a highly skilled workforce, thus creating interest and professionalism in the students.

INDUSTRIAL VISITS

Regular industrial visits are arranged every year to give practical exposure to students. This exposure helps students to relate theoretical knowledge obtained in classrooms with actual processes in Industry.

COMMERCE & MANAGEMENT ASSOCIATION

Giving practical exposure to the theoretical concepts learnt in the classrooms and making students employable is the main objective of the Commerce Association. Seminars & workshops are conducted on various contemporary issues. Industry experts are called to address students with a view to bridge the gap between industry demands and academics. Students are taken to educational tours and visits to places like SEBI and RBI monetary museums. Quiz, poster making, debate and PowerPoint presentation competitions are conducted regularly to make students think and apply theoretical concepts learnt. Teachers have developed E-content to introduce flipped classrooms. The association has also made commerce books written in Marathi available in the college library.

CULTURAL COMMITTEE

The Cultural Forum celebrates various activities and events like Friendship Day, Independence Day, Teachers' Day and Republic Day along with the College Annual Cultural Fest – 'Spectrum'.

SPORTS ACTIVITIES

A Committee, consisting of teachers and the Director of Physical Education & Sports, manages the activities of the Gymkhana. The MCC students excel at international and national level in sports like Fencing, Squash, Swimming, Chess, Table Tennis, Football, Volleyball, Gymnastic etc. The previous years' Sports/Games champion of the Degree College will be the Gymkhana Secretary. In case of his non-availability, another student whose all-round performance during the previous year has been found satisfactory, will be nominated by the Gymkhana Committee as the Secretary.

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

NATURE CLUB

The Nature Club of the college works to create and increase the sensitivity among the students of the college about contemporary environmental issues. The activities of the club include field-visits, excursions, lectures, film -screenings, workshops, seminars and competitions related to environmental subjects. Students are encouraged to contribute to the activities of the club.

REMEDIAL COACHING

Remedial coaching is conducted with the objective of improving academic skills and linguistics proficiency of the students in various subjects and to raise their level of comprehension of basic subjects to provide a stronger foundation for further academic work.

CAREER KATTA (Career & Entrepreneurship counselling, Skill development, Internships, Placements, etc)

Career Katta is an initiative of Department of Higher and Technical Education, Govt of Maharashtra and in coordination with Maharashtra Information Technology Support Centre. The college conducts various activities to guide students about Career, Competitive Examinations (UPSC, MPSC, Banking, SSB, SSC, Police, LIC, etc.), Entrepreneurship, Skill Development; Credit Earnings under new CBCS and NEP Curriculum Framework, Internship and Placement Opportunities, etc. Any student admitted for any regular course in the college or college alumni referred by College Coordinator can join this. **Registration Fees** - One Time Rs. 365 for Three-year degree period (Rs. 0.36 per day), which will be reimbursed in the form of subsidy on examination charges of CBCS. It includes free access to all the activities, courses, State Level Competitive Exams, etc. **To Register**, download the MITSC application from Google Play Store and pay fees using any online payment mode.

MULUND COLLEGE OF COMMERCE (AUTONOMOUS)

SCHOLARSHIPS AND FREESHIPS

The college facilitates and encourages all the students to apply for various scholarships and Freeships schemes of Government of Maharashtra as well as Central Government. The students can approach college office to get further details on the same.

The college collects subsidized fees from the learners belonging to eligible reserved categories. The balance amount of fees is received by the college from the government after the application for the same gets sanctioned. The learners who fail to apply for the scholarship/Freeships or those whose applications get rejected by the Government, are required to pay the difference between the actual and the subsidized fee. If the sanction comes for part of the amount, the remaining part will also be recovered from the student.

There are also open merit scholarships, scholarships for girls and scholarships for learners with disabilities. Learners can explore any of the applicable schemes and apply for the same.

The details of the application deadlines, process and eligibility of these schemes can be explored at <https://mahadbtmahait.gov.in/>

<https://scholarships.gov.in/>
