NOTICE

General Discipline

It has come to the attention of the college administration that certain students are involved in the planning and organization of an **unofficial Industrial Visit (IV)** without the knowledge or approval of the college authorities.

All students are hereby strictly warned **not to organize, participate in or promote any such unofficial IV** or group trips under the name of the college. Such actions are considered a **serious violation of college rules and regulations**.

Be informed that **strict disciplinary action** will be taken against any student found to be involved in this matter. This may include suspension, debarring from academic activities or other disciplinary measures as deemed appropriate by the college disciplinary committee.

Students are advised to **immediately stop** any ongoing plans related to the unofficial IV and refrain from further involvement.

For any official academic trips or IVs proper permission and procedures must be followed through the respective departments and the college administration.

Let this serve as a final warning.
