Established in 1970, A grade in the 4th Cycle of NAAC

BCOM (AIDED PROGRAMME) (SINCE 1970)

Summary document for presenting the BCOM (Aided Programme)

The College is one of the oldest & the most renowned commerce colleges of Mumbai Central Suburbs which offers 12 Undergraduate and 5 Post Graduate Programmes from the field of Commerce, Finance, Management, Media, Science and Technology.

Visit the College Website for timely updates on admissions. - <https://mccmulund.ac.in/>

Timing of the BCOM programme: 7:15 AM to 10:40 AM

The B.COM Programme of the college is the only aided UG programme and has churned out thousands of professionals (CA/CS/CMA/ACCA/IIM Grads/Advocates, etc.) in its existence of more than 55 years.

The B.Com (Aided) Programme is the only programme that also offers HONOURS Degree (Four Year Programme). After the completion of Third year, students get an option of converting a three year degree to a four year Honours degree with specialisation in Advanced Accountancy, Business Management or Banking and Finance.

The programme offers the biggest network of alumni in the fields of Accountancy, Tax/Audit, Commerce, Finance, Management. etc. The programme has full-time faculty members with CA/CS qualifications to teach the students hence it is the most preferred undergraduate programmes for the aspirants of professional qualifications. In last 10 years, the programme has produced more than 25 CA/CS/CMA AIRs at different levels of the examination and has sent more than 10 students to various IIMs for Masters. Adequate support and mentoring would be given to the professional course students.

The Programme offers best support and mentoring for career development and exposes the students to several domain knowledge for them to choose the best for higher studies and career. The placement cell of the college guides the students in fetching best of the jobs in the markets. The compensation/package for a fresh B.COM graduate in MCC ranges from 2.5 LPA to 7 LPA.

Being government aided, it offers affordable quality education under the mentorship of one of the most experienced and qualified faculties. The students get to participate in several curricular/ co-curricular and extra curricular activities which hones their leadership & people skills. Industrial and Field Visits are regularly conducted for exposing the students to real world challenges.
